## Worship Center Project Update

### Gifts and Pledges

Your financial support facilitates the worship of God by believers, their spiritual growth, and the presentation of the gospel to unbelievers and thereby advances the church's vision of making 'Great Commissionaries.' Thank you for your investment in the Worship Center Project!

As of August 1, you have given **\$527,187** and you have pledged **\$650,750** for gifts in 2021 - 2023 totaling **\$1,177,937**.

### Moving in August 15

Garland Contractors have done great work adjusting to all the curve balls this project has thrown at us. Paint is finished. Flooring and electrical are the primary work that's being done now and will allow us to move in on August 15.

Upper windows will be installed at a later date TBD. Parking lot improvements will be done in October. Landscape work will be done this fall. (None of these items will require us moving out of the Worship Center.)

**THE BEECH**  
**COLLEGE**

We are wrapping up the summer and gearing up for the fall. This summer our college ministry has participated in 30 University of Georgia freshman orientations and has made contact with over 100 incoming freshman. Please pray for these incoming freshman and that they would find an awesome church home.

We have 17 college interns beginning on August 6th. We will have a two day orientation hosted at Beech Haven, please pray for our interns as they begin their ministry here.

This fall we are launching 15 home groups through our college ministry with the hope to impact more students out in our community. Pray for endurance for each of our leaders and that we would see many come to know Christ.

### **We love coming to church!**

We are inviting our friends and they love coming to church, too.

**BUT, we don't have teachers.**

Will you be our teacher?

**We need 2 in the baby room and 1 in the toddler room.**

Come on, you know you wanna be with us on Sunday mornings!
