January 2021

From the Pastor's Pen

Friends of the Great Commission,

As we begin 2021, I am overwhelmed by all God did for us in 2020. Covid-19 restricted us, but it did not restrict God. I believe He answered our prayers and accomplished beyond all we could ask or think. In addition, He blessed our outreach efforts. We baptized nearly every Sunday from September—November, sometimes multiple candidates. God loves prayer and God loves evangelism. With that, will you focus on the following upcoming efforts?

1. Pray for our College Minister Search process. Things have developed very positively in this.
2. Pray for our Staff, Deacon, and Leadership retreat January 22 - 23, 2021.
3. Pray for me as I prepare a vision message for January 24, 2021.
4. Pray for and plan to invite friends on Friend Day, January 31, 2021.
5. My heart is stirred to lead us to pray more. More on that later, but please be ready to join me and others as we storm gates and defenses of misery through prayer on Wednesday, February 17. There is deep and intense suffering among so many and we can participate in delivering people through prayer.

Blessings on you and I stand amazed,
David Mills

HVAC Filter Added to Worship Center

In early December, Needlepoint Bipolar Ionization equipment was installed in the Worship Center. Similar to equipment used in hospitals and schools, it is designed to help purify the air. It reduces airborne particulate, viruses (including corona virus), mold spores and bacteria. This additional layer of protection works in conjunction with our current and ongoing protocols:

- Worship Service attendees are seated following appropriate social distancing guidelines
- Worship Service attendees are encouraged to wear a mask

Thank you for continuing to take these additional health precautions:

- When unable to social distance in classroom, please wear a mask
- When in hallways, please wear a mask

Thank You

Thank you Beech Haven family for your concern and prayers for me and my family during my hospital stay and recovery.

God Bless You,
Sandi Franklin

Worship Center Update

Thank you for your prayers and patience as the Operations & Facilities Committee, Stewardship Committee, and staff do their due diligence regarding the updates to our Worship Center.

What's Being Planned?

The big items include new flooring, seating, lighting, and windows; further upgrades to Audio-Visual-Lighting-Broadcast (AVLB); and parking lot improvements. Smaller items include security improvements, painting, and landscaping.

What's the Process/Timeline?

What's Next?

Early in 2021 information will be distributed to the church with specifics to answer these questions: What exactly is being done? What will it look like? How much will it cost? How will we pay for it? When will the church vote on the project? What will we do during construction? Etc.

Details are still coming together and more information is coming - the pace of the project will pick up speed soon in 2021.

If you do have questions now, feel free to contact John Walker (706.201.5414), Op. & Fac. Chairman Patrick Chastain (229.347.8553), or Stewardship Chairman Andy Thomas (706.338.1968).
